13. Please share any comments about your experience at this clinical site.

1	The nursing staff was very helpful and supportive
4	It was a good site, we saw many different things
6	I felt as if 4W really facilitated my learning experience and the nurses and staff were more than helpful when I needed help. Many of the nurses would quiz me on the spot when providing patient care which forced me to really implement my knowledge
8	I'm very appreciative for the support of the RNs and LNAs in this unit. They made us feel like part of the team!
9	no comment
10	I found the staff to be extremely helpful and willing to answer any questions we had.
11	Nurses could be more supportive and open to learning and teaching students.
